

Partner with us to strengthen  
family medicine in Indiana

## **2026 Partnership Opportunities**

# Partner with IAFP to strengthen family medicine in Indiana

Family physicians are at the heart of Indiana's health care system — caring for patients in every community.

The Indiana Academy of Family Physicians (IAFP) connects more than 2,500 family physicians, residents, and medical students dedicated to improving the health of Hoosiers through education, leadership, and advocacy.

Partner with us to:

- Build meaningful relationships with family medicine leaders statewide
- Support education and advocacy that strengthen the specialty
- Show your commitment to high-quality, community-based care

**Together, we can empower the physicians who care for Indiana.**
